SBAC is over. He received the state report card today and it is not very good, they are way lower than Canyon Creek’s. SBAC is a very hard test for proficiency testing. Navigating the computer is very difficult and awkward. MAP testing is about a 2 week process.

Kindergarten roundup brought in 17 students. He is still planning on two classrooms because we always get kids during the summer.

Community dinner is set up for May 10th from 5 to 6:30 p.m. He would appreciate the board helping out that night. Two different Farmers Insurance brokers will be providing root beer floats.

Special Olympics on the 26th, this Friday. This is their second year of really active participants.
