COMMITTEE REPORTS

6. Negotiations Committee Update

   There is nothing new on that front. They asked for June off and the board was fine with that.

   REHIRE CLASSIFIED STAFF
   Mark Berg moved to approve following staff. Billie Bergstrom seconded.
   Danielle Egan, all in favor
   Michelle Herman, all in favor
   Brenda Hess-Bissell, all in favor
   Jennifer Howard, all in favor
   Tracy Lawson, all in favor
   Linda Morgan, all in favor

   There was no discussion. Brent said this is a good group of people. The Board thanked Earl for being at the meeting. All in favor.

8. Property Insurance Renewal
   Joel Junso moved to renew the property insurance. Mark Berg seconded. Brent said this is a very good insurance company and has been good to us. They did switch hands recently with another underwriter. It has gone up in price, 5.5%, to $25,381. There really are no other options out there. All in favor.

9. Transportation Contract with First Student
   TRANSPORTATION CONTRACT
   Mark Berg moved to approve the transportation contract with First Student. Joel Junso seconded. Brent said he has had some concerns with First Student. There is a lot of turnover of staff with bus drivers. That has been difficult. Phillip is the new manager and Brent feels he can build a repoire and is optimistic. Brent has been contemplating 2buses instead of 3, however, he is wrestling with time constraints on riding time. Brent said he and Dani and Jeanne will be running the routes this summer and there will be a change to one route that will be a little longer. All in favor.

10. Spending Authority
    SPENDING AUTHORITY
    Mark Berg moved to allow administration and the business manager the spending authority to exhaust the 2014-15 budget. Joel Junso seconded.
    Brent said he and Jeanne have been looking at budget dollars today, and Jeanne will be nose to the grind-stone spending out with payrolls and expenditures through the end of month. Jeanne mentioned to Brent that another district has given spending authority for the superintendent/business manager for year-end rather than having a special board meeting to approve. He said if anyone is uneasy about it, he understands. The board feels it’s fine and anything large is sent by e-mail to members.
    Rhonda said she is really glad Jeanne shared this and the members all feel this is a great idea. All in favor.

   Joel Junso moved to approve replacement cost for computers for 18 computers.
   Brent explained the Lenovos are for the mobile lab. Current computers go to white screens. The Lenovos are doing well. Open DNS is a content filter we need to have to keep junk out of the school. The Dell computers are to replace the other half of the computers in the primary to get it up to speed. We are using year-end if possible to save Tech fund dollars for the future because we don’t know when we’ll be able to pass a tech levy again. Probably we would use it for server replacement or something like that. The replacements come at an estimated dollar amount of $11,800. Joel asked if warranty covers dropping or breaking, Brent said its’ hard to tell. If a hard drive fails, yes. Some of the damage is aesthetic and Rimrock has parts and pieces to replace. Billie Bergstrom seconded. All in favor.
12. Appoint Board Committees

Mark Berg made a motion to keep close to the same. Joel Junso seconded. The new committee members will be as follows:

Building/Grounds: Manny Zuniga and Joel Junso.
Community Relations: Joel Junso and Billie Bergstrom
