ADMINISTRATIVE REPORT

Mr. Lipp reviewed his administrative report with the trustees.

- Brent said that he is ready for the year to begin. He is working on professional development preparation for the PIR days. He invited the trustees to come to breakfast either Monday or Tuesday at 8:00 a.m.
- The District is currently looking for paraprofessionals but we don’t have too many applications at this point.
- We are ready with the Common Core math curriculum. It is all complete with assessments, etc. This year we will be working on Language Arts. Andrea Fischer from ACE is going to be working with Jim Staab and our staff on implementation.
- Brent reported that OPI has announced that they will implement the SBAC tests in the spring of 2014...pushing things up by a year. We piloted this test last year, but it still will be a difficult task to implement. We need to start to prepare the public for the change and what it will mean for us.
- Our E-Grant applications are finished and have been approved.
- Brent thanked Suzie for her work on the Trustees’ Financial Summary and the Final Budget.
- Brent met with the landscape architects to further discuss the front entrance proposals. He would like to meet with the Building/Grounds Committee sometime soon to keep the ball rolling.
- Brent attended a very informative tech conference. We will be revising our Tech Plan this year.
OLD BUSINESS
Brent reported that he finally was able to confer with the Highway Department regarding the flashing lights. The Highway Department official told Brent that you have to be within 100 feet of a State highway to be eligible for funding. We don’t meet that criteria, so we will have to find other funding. The official from the county will give us the cost of the lights next week, and then we can go to vendors for estimates on installation cost.

NEW BUSINESS
Suzie presented the 2012-13 Trustees Financial Summary. She reported that the district had finished the year in good shape. She was able to transfer some year-end funds to the Compensated Absences Fund and the Building Reserve Fund. The transfer to the Building Reserve was created by the 2013 Legislature to enable districts to set aside funds for specific safety expenditures. In addition, we were able to purchase supplies for the next school year, take care of some maintenance issues, and purchase needed equipment. *Mark Berg made a motion to approve the 2012-13 Trustees Financial Summary as presented by the District Clerk; Charlene Severson seconded the motion. All voted in favor of the motion.*

*Mark Berg made a motion to approve all the following policies as presented, choosing Option #3 in Policy 3311--Policy 3300 Suspension and Expulsion, Policy 3311 Firearms and Weapons, Policy 3415 Management of Sports Related Concussions, Policy 3416 Administering Medicines to Students, Policy 5232 Abused and Neglected Child Reporting, Policy 8301 District Safety; Charlene Severson seconded the motion.* Brent stated that there are no changes on anything since the last meeting. The trustees discussed again each policy and the changes these policies offer regarding suspensions, concussions, epinephrine use, district safety drills, and reporting to DPHHS. *All trustees voted in favor of the motion.*

*Mark Berg made a motion to approve the 2013-14 Extra-Curricular contracts as presented; Charlene Severson seconded the motion.* Brent noted that there is still one open position—5/6th grade boys’ basketball. *All voted in favor of the motion.*

*Charlene Severson made a motion to accept 60 out of district students for 2013-14; Mark Berg seconded the motion.* Brent stated that we are not accepting any additional out of district students in 3rd and 4th grades. *All voted in favor of the motion.*
Charlene Severson made a motion to commit to the Yellowstone-West/Carbon County Special Services Cooperative for another year; Mark Berg seconded the motion. All voted in favor of the motion.

FINAL BUDGET HEARING
There was no one present to be heard on the Final Budget for 2013-14.

Mark Berg made a motion to approve the 2013-14 Final Budget as presented by the District Clerk; Charlene Severson seconded the motion. Suzie reviewed the budget, comparing it to the previous year. The smaller number of mills levied this year is primarily due to the loss of the General Fund voted levy election and the increase in mill value for 2013. All voted in favor of the motion.

PUBLIC COMMENT

Charlene Severson left the meeting at 7:35 p.m.

The trustees agreed to change the regular September meeting date from September 16th to September 23rd.
