**ADMINISTRATIVE REPORT**

Superintendent Brent Lipp recapped his administrative report:

- The District received a $3,897.00 award to our middle school for never missing AYP. This was a great accomplishment. We may use some of these funds to send some teachers to a national conference.
- We received our SET scores back from MBI. We have made good progress with 98% scores in accomplishment of our goals & objectives.
- Leslie, Brent, and the new counselor are planning to attend PowerSchool University in July in Anaheim.
- Kudos to Kalli Murphy for two terrific concerts last month.
• We also had a good track meet...one of our students broke the county record in the 800 meter run!
• On June 5 & 6 we will hold a two day conference with most of our teachers developing math units to correlate with the Common Core. These days will be offered as replacement days for the fall PIR days.
• Eighth grade promotion will be held on May 31st at 10:00 a.m. Please join us!

COMMITEE REPORTS
Mark Berg reported that the Finance Committee (Mark and Rhonda) met with Suzie and Brent on May 15, 2012 at 5:00 p.m. and reviewed the budget for the coming year. Suzie provided good information regarding the increase in funding due to our increase in enrollment (ANB). We are in good shape for next year.

Manny Zuniga reported that the Building/Grounds Committee (Manny and Mark) met with Brent and Suzie on May 15, 2012 at 4:00 p.m. to review the junior high re-roof and roof maintenance bids. He stated that CTA had provided good feedback regarding the significant differences in bid amounts and recommended that the District accept the bid from Empire Roofing. In addition, he noted that Brent received helpful information from Tom Bradford suggesting that the district employ someone to provide “quality assurance” services to oversee the re-roof since the Empire bid was so low. This would help insure that we get the job done properly. Brent procured fee costs for ½ time and full-time Construction Administration services from CTA. We have the funds to do the job. The committee recommends that the District accept the bid from Empire Roofing and hire CTA for Construction Administration services.

Tom said that he feels the roofer is not experienced enough to do the job without supervision of the entire job and that we should go with full-time Quality Assurance with this roofer.
