5 Introduction

6
7 The board of trustees and its staff are operating under unusual, even unprecedented
8 circumstances by virtue of the declaration of a statewide emergency by the Governor and the
9 executive orders related to school closure to address concerns from the COVID-19 Virus. As
10 part of its own concurrent declaration of an unforeseen emergency (community disaster), the
11 board of trustees has found it necessary to adopt temporary policies related to emergency school
12 closure. To ensure clarity and transparency, the board has organized all emergency school
13 closure policies into a temporary chapter. The board has also included this introductory section
14 as a heading for each policy to ensure understanding of the purpose and duration of each policy
15 adopted pursuant to this chapter.
